THE YORKSHIRE PINE FACTORY

HANDMADE SOLID PINE & OAK KITCHENS AND FURNITURE

Hand painted & spray painted furniture

All our furniture is supplied in unpainted solid pine finished with 120 grid sandpaper. Although all our furniture is supplied in natural wood we can wax, stain, lacquer or paint in any Farrow and Ball or RAL colour.

The prices quoted for painted furniture is for exterior finishing only and exclude paint and materials.

If you like the grain of the wood to remain visible it will have to be stained, waxed or hand painted, if you prefer a smooth finish it will have to be spray painted. Our standard paint or lacquer finish is a soft satin (20% sheen) but we can offer a matt, gloss, stain and clear lacquer finish. When you opt to have the furniture painted and in order to create a contrast you can mix and match between paint, clear lacquer or stains.

When painting we apply a minimum of 2 base coats and 2 top coats. In order to create a good quality finish all items are sanded between coats. A knot sealer will be used on all the knots in the panels.

Given that wood is a hygroscopic material items when finished might require minor remedial work once they have climatized to their new environment. We do supply touching up paint, any site visits to carry out remedial work to finishing, return and redelivery costs will have to be paid for by the customer.

Paint and materials:

Light colour paint, clear lacquer or light colour stain 15% of the total order value.

Dark colour paint, lacquer or stain 25% of the total order value.

Minimum charge £45 excluding VAT
